

Reproducibility in Visualization

- Do we need want a Badge of Honor?
- Panelists
 - Britta Weber (Zuse Institute Berlin)
 - Rosane Minghim (University of São Paulo)
 - Helmut Doleisch (SimVis GmbH)
 - Min Chen (Oxford University)
- Chair
 - Paul Rosenthal (Chemnitz University of Technology)

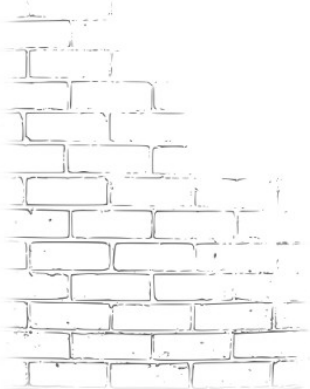

Some more words...

Thanks to...

- the organizers of EuroVis for support and sponsoring
- the organizers of EuroVA for the peaceful coexistence
- the organizing team of EuroRVVV for the fast preparation (26.4.→) and the smooth workshop
- the speakers and panelists for their valuable input
- YOU for providing even more valuable input

See you...

- after the panel in the offline discussion
- on the webpage (www.eurorvvv.org) for
 - the slides of the talks
 - videos of the talks and discussion
 - a follow-up initiative hopefully establishing the “Badge of Honor”
- a VisWeek 2012 panel in preparation
- at EuroVis 2013 for EuroRVVV 2013
