

Welcome to EuroRV³!

Wolfgang Aigner
Carlos Scheidegger
Paul Rosenthal

EuroRV³
2015

May 25-26, 2015 Cagliari, Italy

History

- started in Providence at Vis 2011 with panel “Verification in Visualization: Building a Common Culture”
 - Mike Kirby
 - Claudio T. Silva
 - Robert S. Laramée
 - William Schroeder
- long and intense discussions

History

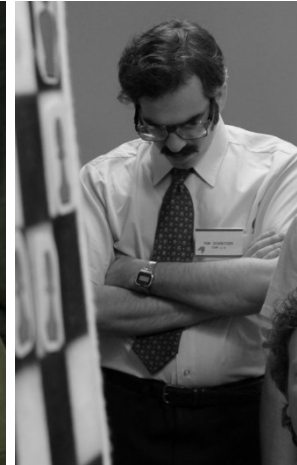

- 1st EuroRV³ at EuroVis 2012 in Vienna
 - Britta Weber
 - Paul Rosenthal
- half day workshop
- 3 invited talks
- panel: “Reproducibility in Visualization” or “Do we want a Badge of Honor?”

History

- 2nd EuroRV³ at EuroVis 2013 in Leipzig

- Mike Kirby
- Gordon Kindlmann
- Paul Rosenthal

- two half days workshop
- Keynote “Evaluation in Science vs. Design”
- Capstone “Fairly Sharing the Costs of Reproducibility”
- 5 short papers
- panel: “RV³: Is There Any Hope?”

History

- Proposal EuroVis Badge of Honor for Reproducibility
 - Stefan Bruckner
 - Paul Rosenthal
- discussion in steering committee
- some retention
- Why does reproducibility need to be singled out? What is the state of reproducibility?
- further discussion and experiences needed

Present

- 3rd EuroRV³ at EuroVis 2015 in Cagliari
 - Wolfgang Aigner
 - Carlos Scheidegger
 - Paul Rosenthal
- two half days workshop
- Keynote “Multidimensional Projection: from Validation to Layout Enrichment”
- Capstone “The Need for Reproducibility of Computer Science in Ophthalmology”
- 9 extended abstracts discussing reproducibility in practice

Future

- panel “Past, Present, and Future of RV³”
 - Jean-Daniel Fekete
 - Luis Gustavo Nonato
 - Rico Großjohann
 - Robert Kosara
 - Tatiana von Landesberger

Have Fun!
